

BEST OF ALL POSSIBLE WORLDS

www.englishtheatrecompany.com

A rewrite and updating of one of our most popular plays for this age group and level, returning this year through popular demand.

It is the year 2054 and the government, the business world and the media have merged to become one all controlling state organisation. Politics is now entertainment and entertainment is politics. The Party is holding one of their periodic cleansing and correction events and they have come to your centre.

This is a scathing, often surreal, highly comic play: that looks at this world and is loosely based on 1984 and Brave New World and other dystopian writings.

“Freedom is the freedom to say that two plus two makes four. If that is granted, all else follows.”

George Orwell, 1984
