

KELLY'S DAY OUT

*"All aboard the big blue bus.
We can take you anywhere.
Everywhere.
You must want to go somewhere.
So, Where?"*

A comic play about chance and the consequences of simple actions. It's about Kelly; a highly curious young girl who gets on the wrong bus one day on her way into town.

Except, of course, it's a really special bus that can take you anywhere – whether to the past, present or future, where you can meet anyone – whether real or fictional. The problem is deciding what to do, where to go, who to see. Choices. And consequences.

So what adventures does Kelly have? Watch and see in Kelly's Day Out; a fast moving interactive comedy with music and songs.
