

# NOT ONE OF US

[www.englishtheatrecompany.com](http://www.englishtheatrecompany.com)

A very funny comic play about a not so funny situation– intolerance towards others.

Jack is a new boy at school and he is odd. There is no getting away from it. It's true. Jack is very odd, strange, peculiar, weird. He is not like any of the other kids at all. He dresses differently, has a different cultural base. He thinks differently too. It's as if he's from a different age with different values. He does not fit in at all.

"Not One of Us" looks at Jack's early days at school and how two major cultural differences, Jack's and everyone else's, clash and how they work things out.

*"You're not like us!"*

*"Thank you."*

*"What? Are you stupid"*

*"Yes frequently. But really thank you, what's the point of us all being the same".*
